

As a Cy-Fair Helping Hands (CFHH) "Hand-in-Hand" Monthly Giving member, you provide dependable and sustaining support for CFHH programs with a regular monthly gift. You partner in our mission to provide hope to the homeless and hungry in our community. The cost of meeting the complex needs of the individuals and families we serve is daunting – food, shelter, financial assistance, clothing, and much more. Now, more than ever, we need your help to continue caring for those who need us most.

HOW DOES MONTHLY GIVING WORK?

With monthly giving, you designate a monthly contribution of any amount to be debited from your checking account, charged to your credit card, or paid via PayPal. No checks, no stamps, and no need to remind yourself to make a gift. You can increase, decrease, or suspend your gift amount at any time. At the end of the year, you'll receive a summary of your contributions with a tax receipt.

This provides a steady and cost-effective source of funding for Cy-Fair Helping Hands.

WHY GIVE MONTHLY?

- **Affordability:** spread your contribution out over the year. Monthly giving allows you to give a helpful annual gift through regular monthly payments.
- **Convenience:** your gift will be transferred and will appear each month on your checking account statement or credit card statement. Avoid the hassle of writing a check and receive a single summary of all your gifts at the end of the year.
- **Flexibility:** choose a donation level that works for you. If for any reason you wish to increase, decrease, or suspend your gift, just call us.
- Each month, your gift directly supports those who need a helping hand. You join an exceptional group of donors committed to making a lasting difference in our community.
